**MSD Notice of Construction
ARROW STREET WASTEWATER TREATMENT PLANT ELIMINATION AND
NORTH BEND CROSSING PUMP STATION ELIMINATION
In Green Township, Hamilton County, Ohio**

Green Township, July 11, 2005 - Managed by the Metropolitan Sewer District of Greater Cincinnati (MSD), construction for the Arrow Street Wastewater Treatment Plant Elimination and the North Bend Pump Station Elimination is starting on July 11, 2005.

The project consists of abandoning both the Arrow Street Wastewater Treatment Plant and the North Bend Crossing Pump Station and the installation of approximately 6,137 feet of 12-inch gravity flow sewer. The construction cost of the project is \$1,139,850.

This project is part of MSD's ongoing Capital Improvement Program (CIP), which is focused on continually updating and improving the operation of MSD's wastewater collection and treatment systems.

Every day, the Metropolitan Sewer District of Greater Cincinnati (MSD) manages the effective collection and treatment of more than 200 million gallons of wastewater and actively maintains 3,000 miles of sanitary and combined sewers that run through the 49 municipalities and townships of Hamilton County. Owned by Hamilton County and operated by the City of Cincinnati, MSD is committed to continually maintaining and improving its wastewater collection and treatment systems for the betterment of both public and environmental health.
